Sri Satya Narayana Vratam
(*Ritual of Lord Satya Narayana*)

Ati Laghu Paddhati (Super-Short Procedure)

By P.V.R. Narasimha Rao (http://www.VedicAstrologer.org)
Date of first version: 2012 February 4
Date of current version: 2013 February 20

Introduction

As per Skanda Purana, Lord Vishnu taught Satya Narayana vratam to Maharshi Narada when the latter asked Lord Vishnu how human beings can overcome their strife in the terrible age of Kali yuga. This ritual is supposed to be an easy solution to the problems of human beings in this age. It is appropriate for spiritual progress as well as material success. It gives results based on one's aptitude.

Satya means truth. Satya Narayana is the personification of Truth. At the highest level, the only Absolute Truth in the cosmos is the Supreme Cosmic Being. At a lower level, there are many many relative truths that arise in the pure consciousness of Supreme Cosmic Being. Like the dream objects that arise in our dreams, various beings such as the Creator (Brahma), Sustainer (Vishnu) and Destroyer (Shiva) arise in the pure consciousness of this Supreme Cosmic Being and the entire field of "duality" comes into play. There are many relative truths pertaining to and governing this field of duality. Lord Satya Narayana is the personification of all the Truths of this cosmos, starting from the Absolute Truth to the relative truths in the field of duality.

Note on The Manuals

There are 3 versions of this manual at http://www.VedicAstrologer.org: (1) Regular, (2) Short, (3) Super-short. This is the **super-short** manual. This manual is appropriate for those who are uncomfortable with the Sanskrit language and want to minimize the mantras, or those who don't have much time for this ritual. It is also suitable for those who are not attracted to external rituals and want to spend more time in internal meditation than in an external ritual. Such people can make use of the super-short procedure and then spend an hour or two meditating with the main dwadasakshari mantra of Lord Satya Narayana (given in this manual).

Those who are comfortable with Sanskrit language and want a little more elaborate ritual should consider the *short* version. Those who have a lot of time for a very elaborate ritual replete with Veda mantras should consider the *regular* version.

Common Mis-conceptions

(1) *Misconception*: Women cannot perform Satya Narayana vratam alone.

Comment: In the discussion between sages on Satya Narayana vratam in Skanda Purana, an example is given where women did the ritual when husbands were away. A woman can perform this ritual by herself if husband is away or not interested.

(2) *Misconception*: One must either do a "perfect" ritual or not do any ritual at all. A perfect ritual takes a very long time.

Comment: Though one may eat a sumptuous meal on an important festival day, one does not necessarily get a lot of energy from it. One gets most of one's energy from the regular dal (lentils) and rice that one eats everyday.

Though there are complicated versions of vratam, it is better to do a simple vratam on a regular basis (*e.g.* monthly once) than to do a complicated version very rarely. In fact, this ritual can be performed daily in a highly simplified form.

(3) *Misconception:* If mistakes happen in a ritual, the consequences will be bad.

Comment: If a ritual is performed with a saattwik spirit for saattwik purposes, there are no risks.

If you act nice with someone because you want their money, you have to understand their thinking well, take the advice of people who know them well and act very carefully to get money from them. Mistakes can be costly and spoil your goal.

But, if you act nice with your parents simply because you love them and want to show your love, you do not need to be careful. You just show your love in whatever way you know. There is no need to follow anybody's advice strictly and there are no risks. Even if you act overly smart, your parents love you and will not be irritated. They will do what is good for you, even if it may hurt you in the short term.

Worshipping Goddess Ramaa and Lord Satya Narayana are like spending time with parents.

(4) *Misconception*: One not initiated by a guru (master) cannot perform ritual or recite certain mantras.

Comment: If one receives a mantra or a procedure from the mouth of a master, it is analogous to a millionaire opening a bank account in his son's name with a high starting balance. The son is lucky, as he is starting off with a big balance. Similarly, some of the siddhi (attainment) the master has in the mantra or procedure is transferred to the disciple even as (s)he starts out.

If one does *not* receive a mantra or a procedure from the mouth of a master, it is analogous to starting off with a zero bank balance. While it is useful to start off with a positive balance, it is neither necessary nor sufficient. There are sons of millionaires who used up the millions earned by parents and reduced them to zero, while there are some self-made men who made millions purely with self-effort. Similarly, one taught by the greatest guru can fall while one not taught by a guru can reach the ultimate. While it is desirable to have a guru, it is by no means compulsory.

(5) *Misconception*: Those who are not learned in Veda cannot recite Veda mantras and perform rituals based on Veda mantras.

Comment: Jnaneshwar was a 12th century master. He was a great Krishna devotee. When he was asked to not recite Veda by a council of erudite scholars, as he was not formally qualified, he replied that every being had a right to recite Veda. When he started reciting, they tried to shut his mouth. Then, a buffalo standing next to him recited Veda! The scholars begged his pardon and corrected their narrow-minded attitude.

Many great souls like him taught that Veda could be recited by anyone. One engaged in *tantric* practices that serve specific purposes and give specific *siddhis* (attainments) need to be afraid of side effects and punishments for mistakes, but mantras from Veda were taught by great rishis for the highest purpose of self-realization. One reciting them need not be afraid of any side effects. Veda mantras are saattwik, self-correcting and ultimately leading to self-realization.

Those who have an affinity to tantric practices should not be discouraged from learning and using them, but those who appreciate the teachings of rishis must be encouraged to recite Veda mantras and perform rituals based on Veda mantras. The key is to have an attitude of submission and a desire for nothing other than self-realization and to do ritual without any expectations whatsoever. Then there are no risks.

The procedure taught in this document may contain just a few Veda mantras, which are not very difficult to pronounce. There are different versions of this manual and some include fewer Veda mantras and some more.

(6) *Misconception*: Those who are not born in a brahmin family cannot perform ritual.

Comment: Satya Narayana vratam can be performed by one belonging to any varna (caste). In the stories given in Skanda purana, there are explicit examples.

Moreover, one’s varna (caste) is not to be determined solely from the family one is born in. There are examples of men born to parents belonging to various castes performing *tapascharya* and becoming rishis. Maharshi Viswamitra, who taught the Savitru Gayatri mantra, was a kshatriya by birth. Maharshi Valmiki, who taught Brahma Jnana to Maharshi Bharadwaja, was a shoodra by birth.

One who has affinity to knowledge is a Brahmana (wise man). One who has affinity to power and authority is a kshatriya (warrior). One who has affinity to money is a vaisya (trader). One who has affinity to carnal pleasures is a shoodra (worker). If a person born in a Brahmin family is after money, he becomes a vaisya and not a Brahmin. On the other hand, if a person born in a vaisya family desires nothing but knowledge and self-realization, he automatically becomes a Brahmin and very fit to perform any rituals.

In any case, one who is interested in knowledge or power or money or pleasures can perform Satya Narayana vratam. Lord gives results befitting one's attitude.

(7) *Misconception*: One should get a priest to do rituals and not do them oneself.

Comment: A good shooter standing too far from a target may do worse than an average shooter standing right next to the target. Similarly, many priests of this age are limited in the ability to emotionally identify with the problems of others and direct spiritual energy at those problems. If the person does the ritual directly, it is akin to someone standing right next to the target shooting.

In Kali yuga, Parasara smriti is the authority for rituals and dharmik matters. As per a dharma shastra called "Parasara Madhaveeyam", a ritual performed in one's name by one's own disciple is 100 times more powerful than a ritual performed in one's name by a priest; a ritual performed in one's name by one's own son is further 100 times more powerful; and, a ritual performed by oneself is further 100 times more powerful. Hence, a ritual performed by oneself is 1,000,000 times more powerful than a ritual performed in one's name by a priest. *If* one is capable of performing a ritual oneself, that is ideal in this decaying age of Kali.

(8) *Misconception*: The ritual should be done in the evening/night only.

Comment: Though that is the preferred time, this ritual can be performed at any time.

Correct Attitude

While it is good to follow the procedure faithfully, it is even more important to surrender oneself to god, leave ego and identify with the deity when performing a ritual. One should believe *sincerely* that the Lord is *really* sitting in front of one in the idol or kalasham. When one offers various services, one should imagine that one is offering those services to Lord for real. The more sincere one is in this belief, the better the results will be. The external objects used in the ritual are a proxy or symbol for the *real* offering that occurs at the *mental* level.

If that sincerity is there, all other minor errors will have no negative effect and one will make progress. If that is not there, even an impeccably performed ritual will not have any tangible effect.

If one has an over-active mind, doing pranayama before ritual can be useful. Somehow or the other, one should calm the mind down to the best of one's ability before starting the ritual.

Materials Needed

- An idol of goddess Rama and Lord Satya Narayana. Otherwise, an idol of Lakshmi & Narayana. Otherwise, any idol. In the absense of idols, any golden or silver or copper or bronze or panchaloha or clay object or a stone or a coin can be used to invoke god in it.
- Some akshatas. Those can be made by mixing raw (uncooked) white (or brown) rice grains with a drop of sesame oil (or some other oil) and a pinch of turmeric powder. Instead of turmeric powder, one can also use vermilion (kumkum) powder used for the dot on the forehead.
- A small lamp, consisting of a wick that can be lit in sesame oil/ghee. A candle can also be used as an alternative, though it is better to burn ghee or sesame oil than wax.
- A match box to light fire
- Sandalwood powder

- One tumbler or cup to store water. It should preferably be made of silver or copper or clay. If unavailable, you may use steel or glass.
- One spoon (preferably silver or copper)
- *Kalasha*: One golden/silver/copper/bronze/clay pot used as kalasham
- One coconut or any fruit (e.g. apple or orange) to put on top of kalasham as the head.
- *Sugandha Dravya*: Powder of cardamom, cinnamon, edible camphor and sandalwood to be mixed with the water in kalasham. If not available, just mix some sandalwood powder or turmeric powder.
- An incense stick
- Some flowers
- Some food that you can offer to god. Eggs, meat and seafood should not be used in that food. In fact, do not *eat* eggs, meat and seafood on the day of ritual. Onion, garlic, strong spices and too much of chillies should also be avoided in the food cooked for God. Fruits are also fine. Just sugar or brown sugar or rock candy sugar or jaggery can be offered to god too. When using sugar, please note that the normal white refined sugar used these days has bone ash in it. Brown sugar, vegetarian sugar or jaggery are to be prefered. [NOTE: The recommended prasadam for this ritual is made by cooking cream of wheat in milk, ghee and sugar. If possible, one can make that.]
- A full fruit (e.g. banana, orange, apple, date, raisin)
- Some water

Preparation Before Ritual

(1) Make some food items to offer to god. You can just use rock sugar candy or raisins or dates or fruits or jaggery also. Please see the notes in the previous section on the recommended prasadam.
(2) Fill water in the tumbler/cup and place the spoon in it.
(3) Fill the pot (kalasha) with water. Mix the powder (see "Sugandha Dravya") in the section above in the water. Pour a few akshatas in the water.
(4) Place the coconut or other fruit (apple/orange) on top of the kalasha. Place this kalasha and idol in the pooja area.
(5) Make a seat for yourself in front of the idol and kalasha. Ideally you should be facing east. You can decorate the idol and kalasham based on your ability and taste.
(6) *Important*: Do not consume any food within 1-2 hours before the ritual (atleast one hour). Evacuate the bowels before ritual and take bath. Stomach should be empty during a ritual for the best experience.
(7) Ideally, one should fast the whole day and do this ritual in the evening after sunset. But, one may not fast if fasting is not possible for one. Also, it is ok to do this ritual at any time.

Ritual Procedure

Before starting the ritual, think in your mind of Mother Earth who is bearing you, Lord Ganesha who removes obstacles, your ishta devata (favorite deity), your parents, the rishis of your gothra (if you know them), the seven rishis, all the rishis and all your gurus.

Aachamanam (sipping water to purify)

Take a little water from the tumbler into your right hand with a spoon. Drink the water after saying the first item below. Take more water with the spoon into your hand, say the second item below and drink it. Take more water, say the third item below and drink it. Imagine that Vishnu who is within you is getting that water.

ॐ केशवाय स्वाहा । ॐ नारायणाय स्वाहा । ॐ माधवाय स्वाहा ।

Vighneswara Pooja (worshipping the remover of obstacles)

In order to not have any obstacles in the pooja, we pray to Ganesha in the beginning. Ganesha is a personification of the aspect of our consciousness that makes us avoid and overcome obstacles. Read the following verses and pray within your mind to Ganesha to remove obstacles from your ritual.

शुक्लांबरधरं विष्णुं शशिवर्णं चतुर्भुजं । प्रसन्नवदनं ध्यायेत् सर्व विघ्नोपशान्तये ॥

अगजानन पद्मार्कं गजाननमहर्निशं । अनेकदं तं भक्तानां एकदन्तं उपास्महे ॥

वक्रतुंड महाकाय कोटिसूर्यसमप्रभ । निर्विघ्नं कुरु मे देव सर्वकार्येषु सर्वदा ॥

Praanaayaamam (restraining the life force)

A calm and relaxed mind can concentrate and focus better, compared to an agitated or tense mind. Breathing and mental state have a correlation. When mind is agitated, breathing is irregular and labored. When mind is calm, breathing is regular and smooth. Pranaayaama is a method of controlling the breathing and hence regularizing the life force that fuels mental activity. One should calm down mind before any important activity such as praying, eating food, learning, reading, writing etc, for a higher efficiency. That is why praanaayaama is done before any ritual. Though most priests breeze through this step, this is an important step. One should take time to do this step for as long as it takes and ensure that one is in a calm state of mind before going ahead with the rest of the ritual.

Take some akshatas (see “Materials Needed” for a description of how to make them) in the the left palm, place the left palm on the left lap, hold the nostrils with the right hand and do praanaayaamam. Place the little finger and ring finger on the left nostril and thumb on the right nostril. Close the left nostril, open the right nostril by releasing the thumb and say the Gayatri mantra mentally while gently breathing in through the right nostril (without making any breathing sound). If you don’t know the Gayatri mantra, use one of the following mantras:

ॐ नमो भगवते वासुदेवाय । ॐ नमश्शिवाय । ॐ गं गणपतये नमः ।

After saying the mantra once, close the right nostril with the thumb and say the mantra once more while retaining the air previously breathed in. Then open the left nostril by relaxing the

little and ring fingers and say the mantra for the third time while breathing out through the left nostril. When done, say the mantra once more, while breathing in through the left nostril. Then close the left nostril with little and ring fingers and say the mantra for the fifth time while retaining the air previously breathed in. Then release the thumb and say the mantra for the sixth time while breathing out through the right nostril. While reading the mantra all the six times, contemplate the formless supreme Brahman (supreme soul of the entire universe) that fills each being of this universe and also the air being breathed in and out. If you want, you can imagine a specific form (such as your ishta devata) also and imagine that your ishta devata fills the entire universe. If you want, you can repeat the above sequence as many times as you comfortably can.

Sankalpam (taking the vow)

Now, declare your intention of doing a vratam to please Lord Satya Narayana. Transfer the akshatas to the right hand, place the open left palm (empty) on right lap, place the closed right palm containing akshatas on the left palm. Then say the following, while mentally thinking that you are going to do a ritual to the best of your ability, to please Lord Satya Narayana.

ॐ ममोपात्त समस्त दुरितक्षयद्वारा श्री परमेश्वर प्रीत्यर्थम् श्री सत्यनारायण प्रसाद सिद्ध्यर्थम् अद्य शुभदिने शुभमुहूर्ते श्री सत्यनारायण व्रतकर्म यथाशक्ति करिष्ये ।

Then leave the akshatas from your hand in front of the idol and sprinkle a little bit of water on the palms. Now light the ghee/oil lamp.

Kalasa Suddhi (water purification)

This is a shortcut for worshipping Varuna in a kalasha.

Place a few akshatas and a flower (if available) in the tumbler containing water. If you can, put dhenu mudra (else, don't worry). Say the following syllable 11 times to purify the water.

वं

Now read the following and think that auspicious essence of various rivers of the world is entering the water in the tumbler.

गंगे च यमुने चैव गोदावरि सरस्वति । नर्मदे सिन्धु कावेरि जलेऽस्मिन् सन्निधिं कुरु ॥ अमृतं भवतु

Then take a little water from the tumbler with a flower or flower petal or spoon and sprinkle it on yourself, the idol you are going to use and other materials to be used in the ritual (like fruits, flowers, idols and food).

Praana Pratishthaapanaa (invocation of god)

Now we have to invoke the deity in the idol and the kalasham. If you know how to do anganyaasam and karanyaasam, do it while saying the following. Otherwise, just read the following.

> अस्य श्री प्राणप्रतिष्ठापन मंत्रस्य ब्रह्म विष्णु महेश्वरा ऋषयः ऋग्यजुस्सामाथर्वाणि छन्दांसि श्रीसत्यनारायणो देवता। ह्रां बीजं। ह्रीं शक्तिः। क्रों कीलकं। ह्रां अंगुष्ठाभ्यां नमः। ह्रीं तर्जनीभ्यां नमः। ह्रूं मध्यमाभ्यां नमः। ह्रैं अनामिकाभ्यां नमः। ह्रौं कनिष्ठिकाभ्यां नमः। ह्रः करतल करपृष्ठाभ्यां नमः। ह्रां हृदयाय नमः। ह्रीं शिरसे स्वाहा। ह्रूं शिखायै वषट्। ह्रैं कवचाय हुं। ह्रौं नेत्रत्रयाय वौषट्। ह्रः अस्त्राय फट्। भूर्भुवस्सुवरोमिति दिग्बंधः।
>
> ध्यानं - सत्यनारायणं देवं वन्देऽहं कामदं प्रभुं। लीलया विततं विश्वं येन तस्यै नमोनमः॥

Now invoke the deity in the kalasham and the idol with the following mantra. While saying it, imagine that Mahaganapathi who is in your own heart is entering the kalasham and the idol.

> ॐ ह्रां ह्री क्रों यं रं लं वं शं षं सं हं ळं क्षं। ॐ हंसः सोऽहं सोऽहं हंसः। श्री रमासहित सत्यनारायणस्य प्राण इह प्राणः। जीव इह स्थितः। सर्वेन्द्रियाणि वाङ्मनस्त्वक चक्षुः श्रोत्र जिह्वाघ्राण प्राणापानव्यानोदानसमानाः इहैवागत्य सुखं चिरं तिष्ठन्तु स्वाहा। सान्निध्यं कर्वन्तु स्वाहा। असुनी ते पुनरस्मासु चक्षुः पुनः प्राणमिह नो देहि भोगं। ज्योक्पश्येम सूर्यमुच्चरन्तमनुमते मृळया नः स्वस्ति। ह्रां ह्री क्रों। क्रों ह्री ह्रां। ॐ श्री रमासहित सत्यनारायण प्राणशक्त्यै नमः। अत्र आगच्छ।

Now read the following and make the aavaahani, samsthaapani, sannidhaapani, sannirodhini and avakunthana *mudras* with your hands if you know them. If not, don't worry and just read.

> आवाहितो भव। स्थापितो भव। सन्निहितो भव। सन्निरुद्धो भव। अवकुंठितो भव। देव प्रसीद प्रसीद। देव सर्व जगन्नाथ यावत्पूजावसानकम्। तावत्त्वं प्रीतिभावेन मूर्तौ कलशे च सन्निधिं कुरु।

While saying this, pray to Lord Satya Narayana in your mind and ask him to *stay* in the idol and kalasham (pot) till the end of the pooja, along with his consort Ramaa (Lakshmi) and the entire family of accompanying deities.

Parivaara Devataa Poojaa (praying to associate deities)

In the field of duality, our consciousness operates due to three aspects: (1) Astitva or identity – sense of "I exist", (2) Bhoktritva or experiencership – sense of "I experience", (3) Katritva or doership – sense of "I do".

We exist due to the five elements – earth (solid state of existence), water (flexible state of existence), fire (transformatory state of existence), air (expansive state of existence) and ether

(existential space behind all existence). These five elements are ruled by Ganapathi, Brahma, Lakshmi & Vishnu, Rudra and Gouri. We pray to them as they control our astitva or identity.

Literal meaning of "graha" is one that grabs. We experience things as grahas or planets grab our consciousness and make it experience the results (reactions) of various actions performed by us in the past. Grahas are the agents of karma phala (fruits of previous actions). Thus, grahas control our bhoktritva or experiencership. We pray to them with ruling and co-ruling deities.

Ten dikpalakas rule the ten directions (eight 2-dimensional directions, up and down). They not only rule the physical directions, but the direction one takes in life with one's work. For example, in Vedic astrology, a chart called dasamsa shows one's work in society and the ten parts of that chart are ruled by dikpalakas showing different kinds of work. Indra, for example, shows work that asserts authority and control over others (*e.g.* political leaders, managers). Agni, for example, shows work that transforms things (*e.g.* engineers, designers). Yama shows work related to enforcing rules (*e.g.* quality assurance, police). Nirriti shows work that breaks barriers (*e.g.* mafia, cutting edge innovations). And so on. It is dikpalakas who control our kartritva or doership and make us perform different types of actions. We pray to them.

Say the following and pray in the mind to the above three groups of deities.

ॐ गणपतये नमः। ॐ ब्रह्मणे नमः। ॐ महालक्ष्म्यै नमः। ॐ महाविष्णवे नमः। ॐ रुद्राय नमः। ॐ गौर्यै नमः।

ॐ सूर्याय नमः। ॐ रुद्राय नमः। ॐ अग्नये नमः। ॐ चन्द्राय नमः। ॐ अप्भ्यो नमः। ॐ गौर्यै नमः। ॐ मंगळाय नमः। ॐ पृथिव्यै नमः। ॐ क्षेत्रपालकाय नमः। ॐ बुधाय नमः। ॐ विष्णवे नमः। ॐ नारायणाय नमः। ॐ बृहस्पतये नमः। ॐ ब्रह्मणे नमः। ॐ इन्द्राय नमः। ॐ शुक्राय नमः। ॐ इन्द्राण्यै नमः। ॐ इन्द्रमरुत्वन्ताय नमः। ॐ शनैश्चराय नमः। ॐ यमाय नमः। ॐ प्रजापतये नमः। ॐ राहवे नमः। ॐ गोमात्रे नमः। ॐ सर्पेभ्यो नमः। ॐ केतुगणेभ्यो नमः। ॐ चित्रगुप्ताय नमः। ॐ ब्रह्मणे नमः।

ॐ लं इन्द्राय नमः। ॐ रं अग्नये नमः। ॐ मं यमाय नमः। ॐ क्षं निर्ऋतये नमः। ॐ वं वरुणाय नमः। ॐ यं वायवे नमः। ॐ सं सोमाय नमः। ॐ हं ईशानाय नमः। ॐ आं ब्रह्मणे नमः। ॐ ह्री अनन्तशेषाय नमः।

If one is in a hurry, the following shortcut may be followed instead:

ॐ गणेशादि लोकपालक देवताभ्यो नमः। ॐ अधिदेवता प्रत्यधिदेवता सहित सूर्यादि नवग्रह देवताभ्यो नमः। ॐ इन्द्रादि दश दिक्पालक देवताभ्यो नमः।

Panchopachara Pooja (worship with 5 services) – Part 1

Now, we have to offer worship with several servies to Lord Satya Narayana in the kalasha and idol. There are several options. One can do a panchopachara pooja with 5 services or a shodasopachara pooja with 16 services or a chatusshashtyupachara pooja with 64 services. For simplicity, a panchopachara pooja is recommended in this super-short procedure. Those who have a lot of time and want to perform a shodasopachara pooja may refer to Appendix B and use that procedure instead of this.

Say the following and offer sandalwood powder/paste to Lord Satya Narayana in the idol. You can also offer turmeric powder and kumkum.

ॐ नमो भगवते सत्यदेवाय । लं पृथिव्यात्मने नमः । गन्धं समर्पयामि ।

Say the following and offer a flower (or a flower petal) to Lord Satya Narayana in the idol.

ॐ नमो भगवते सत्यदेवाय । हं आकाशात्मने नमः । पुष्पं समर्पयामि ।

Main Mantra

Meditate with the following 12-lettered mantra as many times as you can.

ॐ नमो भगवते सत्यदेवाय ।

You can also use goddess Lakshmi's 108 name prayer (Appendix C), Lord Vishnu's 1000 name prayer (Appendix D), Lord Satya Narayana's 108 name prayer (Appendix E gives two versions used in different traditions) or Lord Satya Narayana's 8-verse prayer (Appendix F). The most important thing is to *connect* with the prayer and *feel* it in the mind with a good level of focus. Just meditating with the above 12-lettered mantra is *not at all* inferior to chanting long prayers, if one can focus well.

One can close eyes, keep the back straight, not move and meditate with the mantra. Alternately, one can chant mantra and offer flowers or flower petals or akshatas on the idol and kalasham.

Katha (story)

Read the story in Appendix A. If you know the story well and do this ritual regularly, it is fine to just recollect the story in the mind quickly and not explicitly read it. The key is to get the message in the story and *follow* it in one's actions.

Panchopachara Pooja (worship with 5 services) – Part 2

Say the following and offer dhoopam (incense) to Lord Satya Narayana in the idol. Light the tip of the incense stick, let the fire burn brightly and then extinguish the fire. There should be no fire

on the stick but smoke coming from the burning tip. Show the smoke to Lord Satya Narayana in the idol.

ॐ नमो भगवते सत्यदेवाय । यं वाय्वात्मने नमः । धूपं आघ्रापयामि ।

Say the following and show the deepam (light/lamp) to Lord Satya Narayana in the idol.

ॐ नमो भगवते सत्यदेवाय । रं अग्न्यात्मने नमः । दीपं दर्शयामि ।

Say the following and offer some food to Lord Satya Narayana in the idol. You can use cooked food or a fruit or jaggery or sugar. Show it to the idol and kalasham.

ॐ नमो भगवते सत्यदेवाय । वं अमृतात्मने नमः । नैवेद्यं समर्पयामि ।

Say the following and offer some akshatas to Lord Satya Narayana in the idol. This mantra means that we are offering "all services" to Him.

ॐ नमो भगवते सत्यदेवाय । सं सर्वात्मने नमः । सर्वोपचारान् समर्पयामि ।

Now get up and do *pradakshinas* to the idol. If someone stands on the roof (or in the sky) and looks down at you, it should look like you are going around the idol in the clockwise direction. Do one or three rounds and then sit down again in front of idol.

Poorna Phala

Now, offer a full fruit (*e.g.* banana, apple, orange *etc*), as a symbol of your head or ego.

ॐ पूर्णमदः पूर्णमिदं पूर्णात्पूर्णमुदच्यते । पूर्णस्य पूर्णमादाय पूर्णमेवावशिष्यते ॥

ॐ नमो भगवते सत्यदेवाय । पूर्णफलं समर्पयामि ।

Imagine that you are completely surrendering yourself to Lord Satya Narayana. The fruit used here is a symbol of one's head, *i.e.* ego ("I-ness"), which is to be sacrificed (surrendered) to Lord Satya Narayana. Without that inner sense of surrender, an elaborate ritual has little meaning. Most Vedic rituals are symbolic of certain inner changes that you bring about within yourself, to remove obstacles within your sookshma sareera that are blocking self-knowledge. The purpose of Veda is the knowledge of self (Aatman) and all rituals are ultimately for that purpose. Doing rituals blindly is a good starting point, but at some stage, one has to wonder about the inner meaning.

Winding Up and Meditation

Sit still in front of the idol and meditate. Make sure that the back is erect and yet not too tight. Make sure that the neck and head are also erect. Close the eyes, imagine your favorite deity in a form you like and meditate on that form with your favorite mantra. It does not have to be a mantra of Lord Satya Narayana. You may, for example, meditate with the Gayatri mantra. Try to forget about the your body and what you are doing and get into the mantra fully. Think that the deity of the mantra is the only one that exists. Think that all beings and all objects of this world are expressions of the same deity. Think that that deity is the true Doer of all actions by all beings of this world. Meditate for as long as you can.

Udvaasana (good bye)

Say the following and show your heart with your hands. Imagine that Lord Satya Narayana has exited the the idol and the kalasham and came back into your heart.

> अस्मान्मूर्तेश्च कलशाच्च श्री रमासहित सत्यनारायणं यथास्थानं प्रतिष्ठापयामि ।

If you want, you can keep Lord in idol/kalasha for a few days. If so, do this step on the last day. In that case, do the panchopachara pooja atleast once everyday.

Conclusion

Say the following three verses. Think of Krishna and imagine that you are not the doer and Krishna is the doer who is acting through you. While you do it, place a few akshatas on the tips of the ring and middle fingers of the right hand, place the palm on the small deposit bowl and wash it such that the water and akshatas are deposited in the deposit bowl.

> मंत्रहीनं क्रियाहीनं भक्तिहीनं रमाधिप । यत्पूजितं मया देव परिपूर्णं तदस्तु ते ॥
>
> प्रायश्चित्तान्यशेषाणि तपः कर्मात्मकानि वै । यानि तेषामशेषाणां श्री कृष्णस्मरणं परं ॥ श्री कृष्ण कृष्ण कृष्ण ।
>
> कायेन वाचा मनसेन्द्रियैर्वा बुद्ध्यात्मना वा प्रकृतेः स्वभावात् । करोमि यद्यत् सकलं परस्मै नारायणायेति समर्पयामि ॥

Say the following finally. Imagine that Lord Satya Narayana became pleased with your ritual. Surrender the doership of the ritual to Krishna and pray for peace.

> अनया दिव्य मंगळ पूजया भगवान् सर्वात्मकः श्री रमासहित सत्यनारायणः प्रीयताम् । ॐ तत्सत् । सर्वम् श्री कृष्णार्पणमस्तु । लोकाः समस्ताः सुखिनो भवन्तु । ॐ शान्तिः शान्तिः शान्तिः ।

After this, you should not think of yourself as the doer of the ritual just finished, for you have surrendered the doership to Krishna!

The naivedyam (food) you offered to Lord can be eaten now and served to others.

You can take a bath with the water in the kalasam. Pour the water on yourself after you finish your bath, while saying any mantra. After pouring that water on yourself, don't pour any more regular water. The water from kalasam should be the last water you pour on yourself in the bath. You can also drink a spoon or two of it.

:: Sarvam Sri Krishnarapanamastu ::   *:: Om Shaantih Shaantih Shaantih ::*

Appendix A: Katha (Story)

Chapter 1

In the forest of Naimisha, Sages Shounaka etc assembled around Sage Soota, disciple of Sage Vyasa, and asked him, "in the age of Kali, is there a solution to the strife faced by human beings on earth?" Sage Soota told them, "O great sages, you have asked a very good question for the benefit of the world. The same question was posed by Sage Narada to Lord Vishnu himself long back and I will repeat to you what Lord Vishnu told Sage Narada."

Then Sage Soota proceeded to recount to them the ritual of Lord Satya Narayana, as taught by Lord Vishnu to Sage Narada.

This ritual can be performed on any Ekadashi day or Full Moon day or a Sankranthi (monthly solar ingress) day or just any auspicious day. One should get up in the morning and take vow in the mind to do the ritual that evening. In the evening, one should take bath and do the ritual.

First one should pray to Lord Ganesha (personification of an aspect of consciousness that makes us avoid and overcome obstacles). Then one should pray to Lord Varuna (personification of an aspect of consciousness that makes us persist and persevere in our work) in a kalasha (pot). Then one should pray to Loka palakas (rulers of the elements composing this world), nine planets along with ruling and co-ruling deities and the rulers of ten directions. Then one should invite Lord Satya Narayana, along with his consort Ramaa (Lakshmi), and pray to him. This ritual can be performed by people of any varna.

Chapter 2

Then the sages asked Sage Soota to tell the stories of some people who performed this ritual in the past and benefited. Sage Soota told them this story.

An old brahmana in the city of Kashi was suffering from poverty despite being very wise and learned. Oneday, Lord appeared in front of in the disguise of another brahmana and taught him how to perform the ritual of Lord Satya Narayana and left. The old brahmana decided to do the ritual on the next day. He fasted that day and used the money he got by begging that day to buy materials for the pooja instead of his food. He performed the ritual within his means and the Lord

was pleased. He lived happily ever after and reached Satya Loka (the realm of Truth, which is the abode of Lord Satya Narayana) at the end of his life.

Then the sages asked Sage Soota for some more stories. The sage told another story.

A peasant who lived by cutting wood and selling it saw this brahmana doing the ritual. He found out the details from the brahmana and decided to do the ritual on the next day. He went to a street having many rich people next day and got double the money he would've got for that wood on other days. He bought materials with the profits and did the ritual to the best of his ability. The Lord was pleased. He lived happily ever after and reached Satya Loka at the end of his life.

Chapter 3

When the sages asked for more stories, Sage Soota narrated the story of a businessman called Sadhu. He once saw a king called Ulkamukha performing the ritual of Lord Satya Narayana on the banks of river Bhadrashila. He asked the king what he was doing. King told him that he had everything but no children and was doing the ritual to beget a child. The businessman also was childless. He learnt the ritual from the king and vowed that he would do it if he got a child. His wife Lilavati gave birth to a beautiful young girl named Kalavati after one year. When wife reminded him of the vow, he said, "we will do the ritual of Lord Satya Narayana at her wedding". When the girl grew up, he got her married and yet did not perform the ritual. Lord wanted to teach him a lesson.

That businessman went to the far away city of Ratnasanu for business in a ship with his son-in-law. When got off the ship and entered the city, some thieves who robbed the king's palace came running. They left some bags of money there and ran away. The palace guards running after them saw the bags next to them, assumed them to be thieves and took them to king Chandraketu. The king did not ask any questions and imprisoned them.

Back home, there were thieves even in the house of that businessman and they stole all the money. Lilavati and Kalavati started living by begging. Oneday, Kalavati came home late in the night. When her mother asked her the reason for delay, she said that a brahmana was performing the ritual of Lord Satya Narayana and she stayed till the end. She gave some prasadam to her mother. Then Lilavati remembered her husband's unfulfilled vow. She decided to do the ritual herself on a good day coming in a few days, on the ocean beach.

Lord was pleased, came in the dream of king Chandraketu and told him what happened. King narrated his dream to everyone. He gave a lot of money to Sadhu and his son-in-law and freed them.

Chapter 4

When their ship reached their town, Lilavati and Kalavati had just finished their ritual of Lord Satya Narayana on the beach. Kalavati got up without eating prasadam and ran towards the ocean in excitement. Then it appeared like the ship and her husband sank in the ocean. When she was very sad, a voice told her it was because she did not eat prasadam. When she went back and took prasadam, she saw that the ship and her husband were fine.

When Sadhu found out all this, he was awestruck. He performed the ritual twice every month - on the Full Moon night and solar ingress day. He lived happily ever after and reached Satya Loka at the end of his life.

Chapter 5

A king called Tungadhwaja went to a forest for hunting and saw some forest dwellers performing the ritual of Lord Satya Narayana under a banyan tree. He was not impressed by their idols and vessels made of clay. When they respectfully gave him prasadam, he threw it away and left. Lord wanted to teach him a lesson.

His enemies surprised him by getting together and attacking him. He lost his kingdom, wealth and children. He regretted that he had insulted Lord Satya Narayana because of his lowly impresseion of those forest dwellers. He went back to the forest, found them, sat along with them and performed a ritual of Lord Satya Narayana with the same clay idols and vessels used by them and ate the prasadam made by them. He went back to his city, collected some loyal soldiers and attacked his enemies. They were not ready and lost the battle. He got back his kingdom, wealth and many children were born again. He lived happily ever after and reached Satya Loka at the end of his life.

Sage Soota said, "O great sages, this ritual of Lord Satya Narayana gives direct results in Kali yuga. By performing it or watching it, human beings can overcome their problems."

...Thus ends the story of the ritual of Lord Satya Narayana from Reva khanda of Skanda Purana...

[***Some quick commentary*:** The four stories cover people of four varnas (castes). The lesson is that people of all varnas can perform this ritual. The wood cutter learnt the ritual from brahmana and did it himself. Even a shudra can perform this ritual by oneself.

One word of caution on varnas/castes is needed here. One who has affinity to knowledge is a brahmana (learned man). One who has affinity to power and authority is a kshatriya (warrior). One who has affinity to money is a vaisya (trader). One who has affinity to carnal pleasures is a shoodra (worker). One gets varna from father's varna by default, but one's own varna comes out as one's personality develops. If a person born in a brahmana family is after money, he becomes a vaisya and not a brahmana. On the other hand, if a person born in a shudra family desires nothing but knowledge and self-realization, he automatically becomes a brahmana.

When we say that people of all varnas can do this ritual, what we really mean is that people seeking knowledge or power or money or pleasures can do this ritual and get what they want.

If one looks carefully, there are lessons on things to watch out. For example, businessman tried to do business with god and asked for a child to be given first. Even after getting it, he did not do the ritual and postponed. If one has the attitude of a vaisya, one should suppress the urge to *negotiate* when dealing with god. Similarly, king was egoistic on account of his power. If one has the attitude of a kshatriya, one should suppress the urge to be *proud* when dealing with god.]

Appendix B: Shodasopachara Pooja

[*If you want to perform a shodasopachara pooja (a worship consisting of 16 services) to Lord Satya Narayana who is in kalasham and the idol, instead of the panchopachara pooja mentioned in this document, please use the procedure in this appendix instead. This will take more time.*]

Part 1

Say the line below and think in the mind that you are offering a nice seat to the deity to sit on. While imagining that, just offer a few akshatas to the idol and the kalasha.

ॐ नमो भगवते सत्यदेवाय । आसनं समर्पयामि ।

Now, say the line below imagine that you are washing the deity's feet. While imagining that, show a little water with the spoon to the deity and leave the water in a small empty bowl (we will call it “the deposit bowl” from now onwards).

ॐ नमो भगवते सत्यदेवाय । पादयोः पाद्यं समर्पयामि ।

Say the line below, imagine that you are washing the hands of the deity, show a little water in the spoon to the deity and leave it in the deposit bowl.

ॐ नमो भगवते सत्यदेवाय । हस्तयोः अर्घ्यं समर्पयामि ।

Say the line below, imagine that you are offering drinking water to the deity's mouth, show a little water in the spoon to the deity and leave it in the deposit bowl.

ॐ नमो भगवते सत्यदेवाय । मुखे शुद्धाचमनीयं समर्पयामि ।

Say the first sentence below, imagine that you are giving a bath to the deity, show a little water in the spoon to the deity and leave it in the deposit bowl. Say the second sentence below, imagine that you are giving drinking water to the deity's mouth after bath, show a little water in the spoon to the deity and leave it in the deposit bowl.

ॐ नमो भगवते सत्यदेवाय । स्नपयामि । स्नानानन्तरं आचमनीयं समर्पयामि ।

Say the line below, imagine that you are offering a pair of nice clothes (one in the top and one in the bottom, *i.e.* like a shirt and a pant) and offer a few akshatas to the deity and the kalasha.

ॐ नमो भगवते सत्यदेवाय । वस्त्राणि धारयामि ।

Say the line below, imagine that you are offering a yajnopaveetam (sacred thread) and offer a few akshatas to the deity.

ॐ नमो भगवते सत्यदेवाय । यज्ञोपवीतं समर्पयामि ।

Say the line below and offer a little bit of sandalwood paste, turmeric powder, kumkum powder and akshatas to the deity. If you don't have all these, just sprinkle a few akshatas on the deity.

ॐ नमो भगवते सत्यदेवाय । गन्धान् धारयामि । हरिद्रा कुंकुमं समर्पयामि । अक्षतान् समर्पयामि ।

Say the line below, imagine that you are offering nice jewelry and offer a few akshatas to the deity.

ॐ नमो भगवते सत्यदेवाय । आभरणानि समर्पयामि ।

Sprinkle a few flowers or flower petals or akshatas on the deity.

ॐ नमो भगवते सत्यदेवाय । पुष्पैः पूजयामि ।

Main Mantra & Katha

The sections "Main Mantra" and "Katha" can be inserted here, just like it was inserted in the middle of panchopachara pooja in the main manual. Continue with part 2 at their end.

Part 2

Say the following line and show the incense stick lighted before to the deity.

ॐ नमो भगवते सत्यदेवाय । धूपं आघ्रापयामि ।

Say the following line and show the lamp lighted before to the deity. Then show a little water in the spoon to the deity and leave it in the deposit bowl.

ॐ नमो भगवते सत्यदेवाय । दीपं दर्शयामि । आचमनीयं समर्पयामि ।

Say the first sentence below, show food items you prepared (or fruits) to the deity and imagine that the deity tasted it. If you know the standard procedure of offering *naivedyam* with the Gayatri mantra, you can do it. Else, don't worry and just say the line below. When saying the second sentence, imagine that you are offering a nice *taamboolam* (*paan*) to the deity and offer some akshatas in their place to the idol and the kalasha.

ॐ नमो भगवते सत्यदेवाय । नैवेद्यं समर्पयामि । ताम्बूलं समर्पयामि ।

Place a little camphor on a camphor container or a plate, light it and make a clockwise vertical circle in the air with the plate in front of the deity. Say the line below while you do it.

ॐ नमो भगवते सत्यदेवाय । कर्पूरनीराजनं समर्पयामि ।

Take a small flower (or some akshatas) in your right hand, say the following and offer the flower to the idol (and perhaps a couple of petals into the kalasha). If you know "Narayana Sooktam" and/or Mantrapushpam (and if you have time), read them first and then say the line below. Otherwise, just this line will do. Imagine that you are offering a flower that captures the essence of all mantras.

ॐ नमो भगवते सत्यदेवाय । मन्त्रपुष्पं समर्पयामि ।

Say the following and bow before the deity mentally. Of course, you can also get up, go around the deity once or thrice and bow down (or kneel down or lie down) in front of the kalasha, if you are not in a hurry. If someone looks at you from the roof or sky, it should look like you are going around the kalasha in clockwise directions.

ॐ नमो भगवते सत्यदेवाय । प्रदक्षिण नमस्कारान् समर्पयामि ।

Appendix C: Sri Mahalakshmi Ashtottara Sata Naama Stotram

This can be included in the "Main Mantra" section optionally. This prayer contains 108 names of goddess Mahalakshmi.

प्रकृतिं विकृतिं विद्यां सर्वभूतहितप्रदां । श्रद्धां विभूतिं सुरभिं नमामि परमात्मिकां ।।

वाचं पद्मालयां पद्मां शुचिं स्वाहां स्वधां सुधां । धन्यां हिरण्मयीं लक्ष्मीं नित्यपुष्टां विभावरीं ।।

अदितिं च दितिं दीप्तां वसुधां वसुधारिणीं । नमामि कमलां कांतां कामां क्षीरोदसंभवां ।।

अनुग्रहपरां बुद्धिं अनघां हरिवल्लभां । अशोकां अमृतां दीप्तां लोकशोकविनाशिनीं ।।

नमामि धर्मनिलयां करुणां लोकमातरं । पद्मप्रियां पद्महस्तां पद्माक्षीं पद्मसुंदरीं ।।

पद्मोद्भवां पद्ममुखीं पद्मनाभप्रियां रमां। पद्ममालाधरीं देवीं पद्मिनीं पद्मगंधिनीं।।

पुण्यगंधां सुप्रसन्नां प्रसादाभिमुखीं प्रभां। नमामि चंद्रवदनां चंद्रां चंद्रसहोदरीं।।

चतुर्भुजां चंद्ररूपां इंदिरां इंदुशीतलां। आह्लादजननीं पुष्टिं शिवां शिवकरीं सतीं।।

विमलां विश्वजननीं पुष्टिं दारिद्र्यनाशिनीं। प्रीतिपुष्करिणीं शांतां शुक्लमाल्यांबरां श्रियं।।

भास्करीं बिल्वनिलयां वरारोहां यशस्विनीं। वसुंधरां उदारांगां हरिणीं हेममालिनीं।।

धनधान्यकरीं सिद्धिं स्त्रैणसौम्यां शुभप्रदां। नृपवेश्मगतानंदां वरलक्ष्मीं वसुप्रदां।।

शुभां हिरण्यप्राकारां समुद्रतनयां जयां। नमामि मंगळां देवीं विष्णुवक्षःस्थलस्थितां।।

विष्णुपत्नीं प्रसन्नाक्षीं नारायण समाश्रितां। दारिद्र्यध्वंसिनीं देवीं सर्वोपद्रववारिणीं।।

नवदुर्गां महाकाळीं ब्रह्मविष्णुशिवात्मिकां। त्रिकालज्ञानसंपन्नां नमामि भुवनेश्वरीं।।

Appendix D: Vishnu Sahasra Nama Stotram

This can be included in the “Main Mantra” section optionally. This prayer contains 1000 names of Lord Vishnu.

विश्वं विष्णुर् वषट्कारो भूतभव्यभवत् प्रभुः। भूतकृद् भूतभृद् भावो भूतात्मा भूतभावनः॥

पूतात्मा परमात्मा च मुक्तानां परमा गतिः। अव्ययः पुरुषः साक्षी क्षेत्रज्ञोऽक्षर एव च॥

योगो योगविदां नेता प्रधानपुरुषेश्वरः। नारसिंहवपुः श्रीमान् केशवः पुरुषोत्तमः॥
